

HELP

Cleveland "Serious" Delaney Find a Kidney Donor

Cleveland is a loving father, friend, and music artist. He has spent his life helping others.

Now he needs our help.

Cleveland's kidneys are very sick.
He needs a new kidney to stay alive.
A living kidney donor gives one kidney and can still live a full and healthy life.

The first step is a simple health check.

All medical costs for the donor are covered.

If you want to help, please visit the website below or scan the code to learn more.
